Dear Dave,

Thank you for your kind letter of congratulations on my appointment as Director of Central Intelligence. I am well aware of the fine work you and your colleagues in AFIO have been doing in support of the Agency and the Intelligence Community. I am pleased that the association has made such good progress in so short a time.

I would have been delighted to be a speaker at your convention, but unfortunately I will not be in the Washington area during that time period. I sincerely regret this and hope that I will have another opportunity to meet your members at some future time.

With all best wishes for continued success

Yours,

STANSFIELD TURNER
